UNIFORM POLICY AND PROCEDURE

ليوا للتعليم
Liwa Education

2023

OVERVIEW

LISF holds high expectations and standards for its students. Hence, we encourage a professional environment that prepares our students for the world of higher education, work and employability and one step to do that is by promoting professional presentation, behavior and attitude from students at all times. You will find in this policy specific uniform item list for each year level and this is available at the Uniform Mart store located near Al Maqam Police Station (location). For younger students, Please ensure that all clothing and equipment is clearly marked with the student's name and class. It is the students and parents responsibility that the student is in full school uniform every day they are in school. If a student fails to meet the school uniform requirements, the student will be requested to amend this with immediate effect; if this is not possible they will be required to remain at home until such time as they can meet the schools expectations. Students will not be allowed in lessons if they are not in full school uniform.

PURPOSE OF ADHERENCE TO THE SCHOOL UNIFORM

- Wearing the school uniform removes opportunities for bullying and peer pressure
- Wearing a uniform creates a sense of belonging to the school and the student community

RESPONSIBILITY

Adhering to the uniform policy is the responsibility of our students, parents and staff. Wearing the school uniform is a main requirement and should be worn to and from school as well as in and around school. Accordingly, we expect the full cooperation and support of parents in maintaining a high standard of dress and presentation.
